

hackBCA III Privacy Statement

This Privacy Statement sets forth the information gathering, use, and dissemination practices of hackBCA in connection with the World Wide Web site located at <http://www.hackbca.com> (the "Site"). This page informs you of our policies regarding the collection, use, and disclosure of Personal Information we receive from users of the Site. By using the Site, you agree to the collection and use of information in accordance with this policy.

Information Collection and Use

While using our Site, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to your name and email address. At your option, you may also provide demographic information (such as gender or ethnicity) about yourself, but it is not required.

Except as necessary for hackBCA to provide the services, information, or products requested by a visitor, the visitor may opt out of having his or her personally identifiable information, which has been voluntarily provided to hackBCA through an account registration or other account activity.

Disclosure of Data to Third Parties

We are registered as a Major League Hacking (MLH) Member Event. By participating in hackBCA, you authorize us to share certain application/registration information for event administration, ranking, MLH administration, and occasional messages about hackathons in line with the MLH Privacy Policy (see <https://mlh.io/privacy>).

hackBCA will never sell, rent, or share your personal information with any outside parties. We only have access to/collect information that you voluntarily give us via email or other direct contact from you.

Security

hackBCA has implemented security features that are designed to prevent the unauthorized release of or access to personal information. All information personally identifying to our visitors is stored on a secure server, and all submitted sensitive information via the website is protected under our best discretion. Once we receive personally-identifiable information, we take steps to protect its security on our systems.

Changes to Privacy Policy

We may revise this online privacy policy at any time and any changes in its provisions in the future will be in effect immediately after being posted on this page. It is the obligation of users returning to the Site to learn of changes to the Privacy Statement since their last visit. Any change to this Privacy Statement shall be effective as to any visitor who has visited the Site before the change was made.

Contact

If you have any further questions about privacy or security, please contact us by sending an email to contact@hackbca.com.
